Ask Lucia

Style and Substance for Modern Living

by LUCIA VAN DER POST

Q I am looking to increase storage in our small, relatively modern apartment.

I thought some vintage luggage or an antique trunk would be both practical and beautiful. However, despite having looked on the internet, I am at a loss as to where to find such things. Could you suggest somewhere?

We live on the outskirts of London..

A Brownrigg Interiors in Petworth, West Sussex (01798 344 321) has trunks in cowhide or crocodile at £800 each.
